Empower

Empower is a career networking and development platform targeted at individuals aged 14-30 years of age who wish to gain more career opportunities in the creative and performance industries. The service has been inspired from the concept of 'Empowering the young', and aims to bring young talented individuals in touch with the right career opportunities, in order to maximise their chances of getting into their desired career fields. We also work to engage in current youth affairs and topics affecting young people through our social media sites, events and the running of our online newsletter.

As an organisation we currently focus on the following career fields:

- Art & Design
- Fashion
- Health & Beauty
- Journalism/Publishing
- Marketing /PR
- Media/TV/Film
- Performing Arts
- Photography

Our Mission

We aim to motivate the young generation and encourage amongst them a healthy level of self-esteem. We work to achieve this by:

- Engaging in current day youth affairs and bringing to light a range of issues affecting the young
- Hosting and recommending a range of career networking and development projects for young people
- Elevating levels of youth employment particularly within the creative industries

How do we function?

We work closely with businesses in the creative and performance sector in order to provide career development opportunities for young people looking to pursue a career in this industry.

We offer services including:

- Talent recruitment
- Event management
- Advertising & sponsorship opportunities

Additionally we provide as well as outsource career consultancy and workshops for young people.

Talent Recruitment

We offer a variety of flat fee recruitment packages to cater to various business types. With the dynamic and flexible nature of our service you are bound to find convenient ways of matching suitable candidates to your job vacancies.

We currently work with businesses in the following industries:

- Art & Design
- Fashion
- Health & Beauty
- Journalism/Publishing
- Marketing /PR
- Media/TV/Film
- Performing Arts
- Photography

Why choose us?

We take a very client-focused approach when it comes to our services. That way we remain up to date with our industry knowledge and can provide better consultancy and career development for young talent pursuing career options in this industry. In the long run that means you can trust us to provide you with the best talent in the future because after we fill your current vacancy, we will use the knowledge of your business to shape a new generation of individuals who can fit in with the nature of your industry.

Candidates with a diverse range of expertise are continuously being headhunted and recruited to join our talent database. With an immediate pool of candidates on hand to choose from, our talent database provides an efficient means of sourcing various job vacancies.

Unlike most flat fee recruitment services, we do that little extra to ensure that your positions are filled and that your requirements are fully met.

Some of the benefits of our services include:

- All packages come with recruitment activity which lasts for a total of **28 days**
- A **rebate scheme** is in place for instances where there is no hire
- **Tailored made packages** or **individual recruitment activity services** are available in cases where the packages do not quite fit your requirements
- All packages come with **unlimited candidate recruitment**
- A special **intern package** exists for vacancies at trainee level which are unpaid or expenses paid

To discuss your recruitment needs with us please email info@enpowerservice.co.uk

Event Management

We offer event management services for various creative and performance industry related events. By being involved in the management of these events we are able to establish key networks and relationships in the industry which will enable us to provide exposure and networking opportunities for budding creative talent.
